Harbor 20 Fleet #1 2010 Dues and Directory Listing

We'd like to welcome you to our Harbor 20 Class. And Fleet #1 in Newport Harbor, CA is the "home" of the Harbor 20 Class. We have an active group of 100+ members, publish a Roster, hold clinics and events, and race our Harbor 20s actively. We would like to invite you to join, whether you own a Harbor 20 and want more information, or want to race actively in Newport, or as a crew, for example, just join our group to share our activities. We have fun.

To join, we ask for a modest annual fee to cover our costs of communicating with you, publish our annual roster, and conduct our activities.

All members get our annual Fleet 1 Directory, our newsletters, invitations to our special outings, end-of-the-year Holiday party, etc.

We have **two dollar-level categories** of dues:

- **Owner Member*** (of Fleet 1). Owners of Harbor 20s local to us join as Owner Members. Owners **not** local to Fleet 1 should pay dues of \$10 to become a member of the Class Association and pay their own locally-billed Fleet Dues, if any, or
- **Associate Member or Class Member** Dues are \$10. Associate Members receive the Annual Directory. Interested crews or other sailors are invited to join as Associate Members. Get notices of upcoming seminars, instruction classes, on-water activities, etc. Class members support the Harbor 20 class and normally are not local to Fleet #1.

* See the By-laws for definitions. An "Owner Member" has equal-interest DMV title to the Harbor 20, etc. An "Associate" is a Harbor 20 sailor who "has/sails a boat" and loves to sail with us, **or** a Harbor 20 owner out of our area, **or** a Harbor 20 owner who doesn't race but wants to keep up with the Class happenings – a Class Member. We invite crews and others to be Associate Members to get in on our mail, and fun.

We expect each boat **that races in Fleet 1 races and participates in Fleet activities** to have at least one Owner Member. Other co-owners of the same boat should at least pay Associate dues; if co-owners are active racers, Owner Member dues are requested. Non-racing members or crews may join as Associate Members.

Out-of-the-area owners should pay **Class Member** dues to keep in touch with all the Harbor 20 owners around the country, and to follow Harbor 20 activities.

Next page is for our database and Roster, published annually in February.

Note that we are requesting an email address for the significant other this year in order to be sure social event news is widespread!!!! Add that info, please?

Please mail back to H20 Fleet 1, PO Box 1474, Newport Beach, CA 92659

2010 Harbor 20 Dues Form

For roster purposes, we only print one set of data per member (one address we use for mail)
