One-Time Dues Notice!

OUR CLOSING DATE FOR OUR DIRECTORY FOR 2008 IS MARCH 1!

Harbor 20 Fleet #1 2008 Dues and Directory Listing

The 2008 season begins!

We'd like to move *quickly* to publish our annual directory. And, we're making that easier. Please help us?

Here is the information we had for the 2007 Directory. Please use **THIS** form if that's easiest, *and just mark up new information, addresses, phone numbers*, etc. Please fill in any information where appropriate. Return this form with your check!

We have **two dollar-level categories** of dues:

- **Owner Member*** (of Fleet 1). Owners not local to Fleet 1 should pay the Associate dues of \$10 to become a member of the Class association and pay their own locally-billed Fleet Dues), and,
- **Associate** and **Class Member** Dues are \$10. Associate members receive the Annual Directory.

* See the By-laws for definitions. An "Owner Member" has equal-interest DMV title to the Harbor 20, etc. An "Associate" is a Harbor 20 sailor who "has/sails a boat" and loves to sail with us, **or** a Harbor 20 owner out of our area, **or** a Harbor 20 owner who doesn't race but wants to keep up with the Class happenings – a **Class Member**.

We expect each boat that races in Fleet 1 races and participates in Fleet activities to have at least one Owner Member. Other Associates in the same boat, or in the Class should pay dues. **All** members get, in addition to full racing privileges, our annual Fleet 1 Directory, our newsletters, invitations to our special outings, end-of-the-year Christmas party, etc.

Out-of-the-area owners should pay **Class Member** dues to keep in touch with all the Harbor 20 owners around the country, and to follow Harbor 20 activities

**Here's our last data on you, please mark this up and return
with your dues by March 1, please!**
