

3rd Annual

NHYC Invitational Team Race

for the Baldwin M. Baldwin Cup

April 9-11, 2010

Team racing is growing in popularity and the Baldwin Cup is at the forefront of adult team races in the country. Over 16 teams expressed interest in attending this year's event!

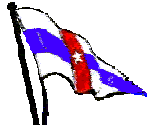

What makes this regatta different from the rest? *The armchair sailor!* With the mooring field cleared of all vessels, racing will take place right in front of the main dock, close enough to see the spectacular close course tactics and hear playful banter (trash talk) between teams. So bring some friends, and enjoy the action from the main deck or even pull up a chair on the dock. There will be live commentators to narrate all the details happening on the race course. The colored sails on the boats make it simple to tell who's winning. Plus if all the incredible sailing wasn't enough, there will be 25 cent draft beers all weekend. Come cheer on Team NHYC!

WHO'S COMING?

10 teams from all over the U.S. will be coming to compete in the third annual NHYC Invitational Team Race for the Baldwin M. Baldwin Cup. A team will consist of 4 boats with 2 man crews. Everyone on the team must be over 21 and at least half of the team must be over 30, all must be members of the clubs in which they represent.
