

Harbor 20 Class Association

2012 Dues

This year, we have **three membership categories**:

- **Owner Member** Owner members are owners of Harbor 20 yachts.
- **Skipper Member** Skipper members are those who want to skipper Harbor 20s, but are **not** Owner Members. Charterers, borrowers, crews, friends, etc. If you **race** as skipper, we ask you join as a Skipper Member.
- **Associate Member** Associate Members are crews or others interested in Class or Fleet activities who are invited to join as enthusiasts.

We are using one form to collect registration fees for Fleet 1, as well as \$10 Class dues for all other fleets and memberships not associated with a fleet. Other fleets may collect **local** dues at their own discretion.

All members get the Class Roster. Fleet 1 members will also receive notices and emails about class room seminars, on-the-water instruction, special events, social activities, etc.

Thanks!
